Who We Are

Kids Plus is a multidisciplinary team of nurses and social workers, addressing the health and social needs of children and families experiencing homelessness. We specialize in medical case management, yet we are able to address a host of needs that impact the health and wellbeing of children.

How we Can Help

- Outreach to families living on the street or in shelters
- Health Care Support and Care Coordination
- Mental Health and Counseling Referrals
- Chemical Dependency Support
- School and Childcare Access
- Social and Emotional Support
- Parenting Support
- Assistance with Basic Needs

Who We Work With

- Families who are homeless on the street, in shelter, doubled up, or in transitional housing
- Living in King County
- Priority for ongoing case management is given to children ages 6 and younger, with medical, developmental, or behavioral needs, or whose parents have medical, mental health, or chemical dependency issues that impacts their ability to care for their child.

Health Care

Our nurses and social work staff understand the challenges of addressing health needs while living homeless. Kids Plus staff can help with:

♦ Chronic Disease Management
♦ Developmental screenings and referrals
♦ Referral and linkage to:
  ♦ Primary and Specialty care
  ♦ Chemical Dependency
  ♦ Mental Health
♦ Coordination of care

Shelter and Housing

Kids Plus does not represent a specific housing program, we can help to direct clients to appropriate shelters and housing programs.

Support

We are willing and able to address a wide array of issues that affect the health and wellbeing of our clients. This includes:

♦ Basic needs
♦ Schooling and Childcare
♦ Eligibility for Benefits
♦ Education and Employment
♦ Connection to peer and social support
♦ Domestic Violence Advocacy

Client Centered Care

We work on the issues that are important to our clients. We also understand the stress and emotional toll homelessness can have on families and children.
