History of Tier Board Development at King County
(as told by some PSB staff)
Key Terms
People – focuses on employees and workforce. It reflects how well our team members are fully engaged in their work
Cost – focuses on financial health and cost of our programs. It reflects how well we are reducing our rate of cost growth, and improving our financial health
Service – focuses on both customer service and services we provide. It reflects how well we are providing our customers what they need, when they need it, and how they want it

Tier Board Stabilization Criteria
1. Two to four measures have been developed in each area of focus (people/employees, service/s, cost) => 6-12 measures per department
2. Each metric should include a baseline (historical actuals), target, and a current actual
3. Measures should be actionable and time bound (e.g., not annual measures)
4. Measures that aren’t meeting the target should have an action or countermeasures plan noted and visible
5. A physical tier board exists for every department
