The King County Department of Local Services, Permitting Division, will issue an Environmental Threshold Determination pursuant to the State Environmental Policy Act (SEPA) on this application following a 24-day public comment period which ends on August 22, 2022. The responsible official has a reasonable basis for expecting to issue a SEPA Determination of Non-Significance (DNS) on this project. As such, the optional DNS/MDNS notice process is being used pursuant to WAC 197-11-355. The project review process may incorporate or require mitigation measures regardless of whether an EIS is prepared.

This may be the only opportunity to comment on the environmental impacts of the proposal. Written comments on this application must be submitted to Permitting at the address below by the end of the comment period.

Any person wishing additional information on this proposed project should contact the Permitting Division Project Manager at the telephone number or e-mail listed above. NOTE: To request this information in alternative formats for people with disabilities please call 206-296-6600 or TTY Relay: 711.
