A public hearing before the King County Hearing Examiner is required for this application. Notification of the public hearing date will occur approximately 30 days prior to the scheduled hearing date. The Department of Permitting and Environmental Review (DPER) will issue a report and recommendation to the Hearing Examiner two (2) weeks prior to the scheduled public hearing. Following the close of the public hearing, the Hearing Examiner will issue a written decision which may be appealed to the Metropolitan-King County Council. Details of the appeal process will be included in the notice of recommendation.

Any person wishing additional information on this proposed project should contact the Project Manager at the phone number or e-mail listed above. Written comments may also be submitted to DPER. You may review the application and any environmental documents or studies in our Snoqualmie office.
